	Defendant/ Respondent	)	

The Plaintiff moves the Commission to amend the Complaint to conform to evidence to be entered and presented at the upcoming hearing according to Rule 15 of the Federal Rules of Civil Procedure (FRCP).

1. The issue involves certain bogus charges applied to the Plaintiff's bill to increase the profit of the Defendant.
2. The bogus charges stem from a so called Broadcast Surcharge Fee which is a way to gouge consumers with charges which do not exist.
3. According to The Cable Television Consumer Protection and Competition Act of 1992, Cable Television Companies were compelled by an act of Congress and upheld by the Supreme Court to make local programming available.
4. The interest of justice can only be properly served by the grant of this motion.

Respectfully submitted

Michael Madden
